TO: ALL AGENTS

**Sweeping Changes on the Grain Dealers Web Site**

Grain Dealers Mutual Insurance Company has added another new feature to ease the process of doing business. Now you can easily and electronically transmit funds that you have collected on behalf of the Company. Under Agents Accounting on the Authentication page, there is a new link entitled, Transmittal for Payments.

This new feature provides a uniform document for the posting of payments collected by your agency and should be used in lieu of e-mailed or faxed notifications. To utilize this tool, you must provide the Company with an EFT Debit Authorization.

If you do not already have a Debit Authorization form on file with the Company, a copy of this necessary form has been attached. If you have any questions, please contact Teresa Ward, your Accounts Specialist, or the Agency Supervision Department at 800-428-7081, extension 4512.
