TO: ALL AGENTS

Ask, and You Shall Receive....

In a recent bulletin, I asked you to make a commitment to increasing your Commercial Lines production with Grain Dealers Mutual Insurance Company. Your efforts do not go unnoticed and your success will be rewarded.

An exciting new promotion was announced in the April NewsFlash and has been reproduced below. By writing the business we asked for, you could receive a free vacation.

## **What a Screamin' Deal!**

Are you ready to get away and enjoy a vacation? I know money is tight, but Grain Dealers has an easy way for you to qualify for a free trip. Yes, that is what I said, FREE! Who can't afford that?

Here is the catch, all you have to do is review the list of BOP classifications below and write one or more of those classifications to be entered into a drawing to win a trip. This contest will continue for 3 months and the winner will be announced in July, just in time for a little fun in the sun. Each month several more classifications will be added to the list to expand your options.

### **APRIL'S CLASSIFICATION LIST**

Nail Salons

Beauty or Barber Shops (Don't forget the Professional Liability at the bottom of the BOP quote)

Optical Goods Stores

Bicycle Shops

Condo Owners and Homeowners Associations (Yes, we do write the D&O)

Offices (All types that fit within our guidelines)

Once you have quoted and issued a BOP on-line, simply e-mail your name, agency name, code number, and application number of the bound policy to [tdaly@graindealers.com](mailto:tdaly@graindealers.com). Your name will then be entered into a drawing for the trip. The more policies you write, the more chances you have to earn a free vacation.

Enough about the guidelines and rules, tell me more about this trip!

You can choose your vacation from the following list:
