TO: ALL AGENTS

THERE IS NO END TO THE GDM WEB SITE ENHANCEMENTS

It seems the possible enhancements to our web site are endless, unlike an insurance policy that expires at least once every year.

Grain Dealers Mutual Insurance Company has added a Policy Expiration List feature under Agents Underwriting on the Agents Authentication Page that makes it easy and convenient for you to access policy expiration information. You can generate monthly expiration lists whenever it is convenient and appropriate for your agency's practices and procedures. Rather than watching your mailbox for a monthly expiration list, you can now go to our web site and generate a list when you need it.

If you have any questions, please contact a company representative or call the Agency Supervision Department in the Home Office at 800-428-7081. As always, we value your input, so please let us know if you have any suggestions or concerns.

Bruce Mitchell
Agency Supervisor
