**COMMERCIAL PROPERTY LOSS COST MULTIPLIER**  
**REVISED**

Grain Dealers Mutual Insurance Company has revised our Company loss cost multiplier for Commercial Property. We will apply this revision to all policies written on or after September 1, 2007. This change will produce an overall decrease of 10%.

Our manual page CF-R-O that provides you with the new multiplier of 2.216 can be found on our web site at [www.graindealers.com](http://www.graindealers.com) under the Company Procedure Manual. Manual page CF-MP-1, which can also be found on our web site, remains unchanged.
