

Grow and Go

January 2008

We know you deserve a vacation! We want to give you one!

Increase your written premium with Grain Dealers Mutual Insurance Company by as little as \$25,000 in 2008 and you can earn a weekend getaway. Or, increase your premium by \$100,000 and you could be cruising off to the Bahamas for 4 days. With four qualifying levels, you have a variety of destinations and adventures to choose from. You have a full year to earn your reward, and another year to decide when you want to use it.

You Grow and Go!

The enclosed brochure includes details on the trips that are available at each qualifying level. It's easy to qualify. Simply grow your premium volume with Grain Dealers Mutual Insurance Company during 2008 and you can go on the vacation of your choice. Your premium increase is compared to the year end volume shown on the Company's records as of December 31, 2007. You can access your agency's year end premium total and monitor your progress throughout the year on our Web Site under Agents Experience. "Three Year Production Totals" will display your 2007 total and "Year To Date Production Totals" will let you track your monthly progress.

Good luck in this new year. Please let us know how we can help you to Grow and Go.
