GENERAL LIABILITY LOSS COSTS AND
REVISED LOSS COSTS MULTIPLIER
TO BE IMPLEMENTED

The Insurance Services Office has issued new loss costs to apply to General Liability. Also, we have revised our Company Loss Cost Multiplier for General Liability. Grain Dealers Mutual Insurance Company will apply the multiplier and loss costs to policies effective June 1, 2004.

Enclosed is manual page GL-R-O that provides you with the multiplier. Manual page GL-MP-1 remains unchanged.
