TO: NORTH CAROLINA AGENTS

**CRANK UP THE VOLUME!**

Grain Dealers Mutual Insurance Company is pleased to announce our iPod giveaway incentive. Crank up your premium volume and we'll give you an iPod Nano.

Simply write new commercial lines business with Grain Dealers Mutual generating a premium of at least \$5,000. Policies must be new to Grain Dealers Mutual and be written and effective during the month of August 2007. Premiums coming from the conversion of dwelling policies to commercial property, workers' compensation, and any other policies ceded 100% to NCRF are excluded. Although there is no limit to the number of iPods you can win, there is a limit of one iPod per written policy. This promotion is based on new commercial lines premium written per agency code.

It's that easy! If you record enough new commercial lines business with Grain Dealers Mutual, it will be music to your ears.
