**REVISED COMMERCIAL AUTO LOSS COSTS  
AND REVISED COMPANY MULTIPLIERS TO BE IMPLEMENTED**

You should have received manual pages from the Insurance Services Office that provide revised loss costs for Commercial Auto. These rates will apply to policies written on or after May 1, 2004, instead of ISO's effective date of November 1, 2003.

Enclosed are Rate Pages CA-R-1 through CA-R-27.
