**IDENTITY FRAUD COVERAGE ADDED TO OUR HOMEOWNERS POLICY**

Many people are financially impacted by identity fraud each year. To counter this threat, Grain Dealers Mutual Insurance Company is providing \$15,000 coverage to our Homeowners policies to protect our insureds. Beginning September 1, 2007, we will be adding this coverage to our Homeowners policies for a nominal fee. Also, we will be attaching a flyer to all of our policies explaining this coverage.

The form identified on the face of the policy will be HO 04 55. A \$250 deductible will apply.
