TO: ALL NEW MEXICO AGENTS

PERSONAL AUTO ADDED TO QUICK QUOTE SYSTEM ON WEBSITE

Effective immediately, you can now access Personal Auto on our “Quick Quote” system located on our website at www.graindealers.com. “Quick Quote” will make obtaining a premium quotation for personal auto convenient, accurate, and quick like the name implies.

When using “Quick Quote” **you must enter something in the Vehicle Identification Number field**; however, by providing the actual VIN, our system automatically determines most rating and discount factors, other than vehicle usage, to assure premium accuracy.

To print a quote, you must first “save” your work. When you “save,” a Premiums Inquiry screen will appear. Close that screen, go to the Main Menu, select View Current Quote, then View Quote Dec., and then “Print.”

Sounds simple, right? For support and assistance, contact Patti Ortiz at portiz@graindealers.com or by calling 800-428-7081, extension 5685.

This proprietary rating program mirrors the Company’s production system, and is housed and maintained at our Home Office in Indianapolis, Indiana. You can be assured the rates are current and correct because we don’t rely on a software vendor to interpret and implement our rating equations and sequences.

Grain Dealers Mutual is pleased to announce this addition to our “Quick Quote” system. We appreciate your cooperation and patience, and are confident we can rely upon your continued good judgment and contributions as we endeavor to make available and maintain products and services that assure a viable and successful market presence in the state of New Mexico.
