

TO: ALL OKLAHOMA AGENTS

**IMPORTANT NOTICE -- POLICY CORRECTION**

Due to a temporary automation glitch, Personal Auto policies with Uninsured Motorist coverage have been issued without a critical and compulsory endorsement, PP0462 UNINSURED MOTORISTS COVERAGE - OKLAHOMA (NON-STACKED).

The affected policies will be reprinted with the appropriate forms and endorsements and mailed directly to the insured. These policies will include a cover letter for the midterm reprints and another at the next renewal. Those letters are attached to this notification.

**The policy premium is correct and will not be altered by the addition of this form.**

Although we intend to correct this error promptly, we regret the inconvenience and confusion that may be caused.
