

March 2005

TO: ALL AGENTS

NOW IS THE TIME TO REDEEM YOUR TOKENS OF APPRECIATION

All you need is one “Token of Appreciation” to redeem a gift of a candle, hand lotion, or golf balls. You can get a Grain Dealers Mutual logo hat by redeeming three tokens. Four or five tokens will get logowear shirts, umbrellas, or a briefcase. You can even receive a gift card from a national chain of your choice for up to \$25. Remember, quantities of all items are limited and sizes are limited on wearable items, so redeem your tokens today. Don’t miss out on the opportunity to own some of these very nice items. All you need to do is fill out a Redemption Card and return it with the appropriate number of tokens to:

Grain Dealers Mutual Insurance Company
